BLUE COLOR DAY

**“The Sun is up, the Sky is blue;
It’s beautiful, so are you” – JOHN LENNON.**

Blue is the color of the sky, the limit of your imagination and the beginning of your dreams. The tiny tots of Pre-nursery celebrated “BLUE DAY” on **18th July 2022**. The teacher familiarized the students with few blue objects like dolphin, balloon, car, kite, etc.

Excitement and Enthusiasm was visible everywhere. Early identification of colors helped to create the **cognitive** link between visual clues and words which is an important part of a child’s development. It was indeed a visual treat to see the good effects of blue color on our little ones.

FRUIT CHAAT DAY

With an objective to create and educate our toddlers about the importance and consumption of fruits in regular diet, the students of **LKG A and B** celebrated “FRUIT CHAAT DAY”. The occasion was held to teach kids

about the benefits of fruits – one of the Mother Nature’s precious gifts. Students of “**Yuvashakti enfant jardin**” enjoyed themselves in making their own salad with assorted fruits on **18th July, 2022**. The little ones mixed the cut fruits with chaat masala and squeezed lemon drops. Definitely, our children may not have tasted a better mouth-watering fruit salad earlier than this special day! The little ones also learnt the name of different fruits, texture, colour, taste, size and shape. In a nutshell, kids were found

to be quite thrilled and were positive about the fact that fruits are better than junk food.

VISIT TO FUNTOPIA

Some memories are unforgettable, remaining ever vivid and heart warming. Students from Pre nursery, LKG, UKG and 1st grade visited **FUNTOPIA**. **YUVASHAKTI ENFANTS JARDIN** organised an

excursion filled with fun and enjoyment, accompanied by the teachers and housekeeping staff. Our little toddlers were amused by different activities along with variety of fresh and delicious food. Students made life long memories of childhood, cherished in their little innocent hearts forever.

INDEPENDENCE DAY CELEBRATION

On 15th August, 1947 India attained freedom from the British Empire after years of enslavement and servitude. This year on 15th August, 2022 the celebration of Independence Day was held in a mesmerizing way in our campus. Our little ones performed on patriotic songs. Their moves touched to everyone's heart. They were beautifully dressed-up in a tri color attire. The little ones enjoyed the entire programme with the refreshment given by the school.

ICE CREAM PARTY

**"I SCREAM, YOU SCREAM,
WE ALL SCREAM FOR ICE-CREAM"**

Ice-creams are loved by all. They are a great way to start and finish a day and also serve as the perfect solution to everything in between. On **15th July 2022** our little ones relished the ice-cream party. The motive was to **inculcate students** with the terms sell, buy, sale, cost, price and rupee. They had brought Rs. 10 to buy an ice-cream from the vendor. Scoop of a cold and sweet ice-cream is enough to uplift every child's spirit.

Visit To A Garden

"THE GARDEN SUGGESTS THERE MIGHT BE A PLACE WHERE WE CAN MEET NATURE HALFWAY." – MICHAEL POLLAN

A visit to a garden is quite **refreshing** and **educative**. It presents a feast of joy before us. Its shady trees seem to invite us during the summers and its green sunny lawn catch everyone's eyes in the winter season. On **8th September, 2022** our little munchkins of "YUVASHAKTI ENFANT JARDIN" visited to the garden, where they **cherished the fragrance of flowers and chirping of birds**. The motive was to make the students familiar with the beauty of nature. During this activity they watered the plants also. It was really a good time in the garden which is veritably a paradise on the earth.

Christmas is for joy, for giving and sharing, for laughter, for coming together with family and friends. It was surely a Christmas to remember at YUVASHAKTI ENFANTS JARDIN, ROHINI. The school was decorated with a festive look, with bells, streamers and a beautifully decorated Christmas tree. Several activities such as decorating Christmas Trees, Santa decoration and visit to the church was organized for the students. The children were told about the birth of Lord Jesus and the legend Santa Claus. The spirit of giving and sharing was inculcated among the tiny tots. The children came in red and white colour party dress, brought their favourite food in the lunch, danced and shared the merriment together.

MUFFIN DECORATION

Experiential learning focusses on the idea in the best way. Those experiences then stuck in the mind and help the child to retain information and remember facts. Our little munchkin of Yuvashakti enfants jardin prepared their own dessert. Hershey's syrup, gems and jam. It was used to decorate the muffin.

Fancy Dress Competition

A fancy dress competition not only blends learning with fun but also develops confidence in students by giving them an opportunity to speak in front of their classmates. Fancy dress competition was held on 9.12.22 in YUVASHAKTI ENFANTS JARDIN. The theme of the competition was 'MY FAVOURITE CARTOON'.
