Q7. Read the passage carefully and answer the questions that follow: -

The joint family system has undergone a drastic change in India. There are number of factors which are leading to its disintegration. Opportunity for employment outside agriculture and especially in the urban area are increasing, as a result of which the young men of the rural areas have been shifting to those places. Many young persons in the urban area are also moving out of the parents' places to seek opening in other parts of the country or even outside of India. The property dispute and sour relation between mother-in-law and daughter-in-law have forced many persons to opt for an independent living. As a result, or disintegration of joint families the aged have lost the traditional source of economic and social support which was easily available to them in joint family.

- a. What changes do we see in Joint family in India?
- b. What types of disputes are common in joint family?
- c. What loss have the aged face?
- d. Write the suitable meaning of EXTREME.
- e. Give suitable title to the passage.
