Autumn Break Holiday Homework Class – VI

English :- Do Activity 22,24,25,30 in holidays homework worksheet.

हिन्दी :- पृष्ठ -10,11 गृहकार्य पुस्तिका में करो।

Maths :- Do page 17,18 in holidays homework worksheet.

Science :-

- Do Holidays assignment book Chapter No- 8A, 8B

Make a Chart/Model on the following topics:

1. Roll no 1 - 8: Solar System

Description: Display the planets in order from the Sun, showing their relative sizes and distances. Add information about the number of moons, size, and features of each planet.

2. Roll no 9 - 16: Water Cycle

Description: A visual depiction of the water cycle, including evaporation, condensation, precipitation, and collection. Arrows indicate the movement of water between the ocean, sky, and land.

3. Roll no 17 - 24: Food Chain and Food Web

Description: Create a chart showing a basic food chain (plants → herbivores → carnivores → decomposers) and a more complex food web connecting multiple organisms.

4. Roll no 25 - 32: Weather Instruments

Description: A chart displaying common weather instruments with descriptions of how each is used to measure different aspects of the weather (temperature, wind speed, air pressure, etc.).

5. Roll no 33 - 40: Plant Life Cycle

Description: Create a flowchart showing the life cycle of a plant from seed to seedling, sapling, mature plant, and seed production. Use arrows to show how the cycle repeats.

6. Roll no 41 - 48: Layers of the Earth Chart

Description: A cross-sectional diagram showing the Earth's crust, mantle, outer core, and inner core. Include a brief explanation of each layer's composition.

Social science:- Do page no. – 49 in holidays homework worksheet.

संस्कृत:- कार्यपत्रक 4अ - ब, 5अ- ब, 8अ- ब करो।
